

As a StartUp in the PropTech industry, we're connecting all participants in multiparty house holds. Offering a platform that is easily accessible via web and mobile applications, we're connecting landlords, tenants, property managers and service providers to provide easy communication, more transparency, efficient processes and reduced efforts.

With our office located at TechQuartier in Frankfurt (Main), we're looking forward to energetic, enthusiastic colleagues that strive for success and are keen in participating in cunio's growth and success story.

To grow our development team in Frankfurt we're looking for an **iOS Mobile App Developer (f/m)**

Your responsibilities:

- Development of our mobile apps for Android
- Optimisation and realisation of new features
- Participate in product decisions (UX, Features, Roadmap)
- Quality assurance and documentation of software releases
- Creation and optimisation of processes and tools in software development

Your qualifications:

- You graduated in computer science or a comparable degree
- You have several years of experience in android app development and participates a number of app-projects (ideally in the context of connection Restful APIs or BaaS-Services)
- You're familiar with common software development tools used along the process (CI, CD, Bugtracking, Release Administration, etc.) and a big friend of DevOps
- You love clean code and are proud of the results you produce. You contributed to an open source project or can demonstrate your track record with own projects (e.g. on Github) that you worked on in the past.
- While optimising the usability you never lose the user's interests and perspective with the objective that our software doesn't only work but is loved
- Quality assessment for you is just a question of honour
- As a team player you show engagement and a hands-on mentality
- You have an analytical, structured, self-educating and reliable working mentality
- You're fluent in english, ideally have some basic German language skills

What we offer:

- Working with new technologies and being in tune with the times
- We value self-education and support you in improving and expanding your skills
- Networking in Frankfurt's startup ecosystem
- Open, communicative and dynamic startup atmosphere, with exciting tasks and short decision paths

If you want to be part of cunio's success story and want to join our young team, we warmly welcome you to our fresh atmosphere and open minded business culture.

We're looking forward to your application on career@cunio.de
