cunio

As a StartUp in the PropTech industry, we're connecting all participants in multiparty house holds. Offering a platform that is easily accessible via weband mobile applications, we're connecting landlords, tenants, property managers and service providers to provide easy communication, more transparency, efficient processes and reduced efforts.

With our office located at TechQuartier in Frankfurt (Main), we're looking forward to energetic, enthusiastic colleagues that strive for success and are keen in participating in cunio's growth and success story.

To grow our development team in Frankfurt we're looking for a

Frontend Developer (f/m)

Your responsibilities:
- Enhance our web applications and implementation of new functions
- Participate in product decisions (UX, Features, Roadmap)
- Quality assurance and documentation of software releases
- Designing and optimising processes and tools in software development

Your qualifications:
- You graduated in computer science or a comparable degree
- You're experienced with mit modern web technologies (HTML5, CSS, JavaScript) and development of Single Page Applications in Responsive Design with Angular 2/4 and Bootstrap
- You're familiar with common software development tools used along the process (CI, CD, Bugtracking, Release Administration, etc.) and a big friend of DevOps
- You love clean code and are proud of the results you produce. You contributed to an open source project or can demonstrate your track reckord with own projects (e.g. on Github) that you worked on in the past.
- You like to dive into new technologies (e.g. PWAs, WebComponeents, GraphQL)
- You never lose the user's perspective out of sight in order to not only make the software run smoothly but also to make user's love our software
- As a team player you show engagement and a hands-on menthality
- You have a an analytical, structured, self-educating and reliable working mentality
- You're fluent in english, ideally have some basic German language skills

What we offer:
- Working with new technologies and being in tune with the times
- We value self-education and support you in improving and expanding your skills
- Networking in Frankfurt's startup ecosystem
- Open, communicative and dynamic startup atmosphere, with exciting tasks and short decision paths

If you want to be partof cunio's success story and want to join our young team, we warmly welcome you toto our fresh atmosphere and open minded business culture.
